A MESSAGE FROM THE POTENTATE

Dear Nobles —

I CERTAINLY want to express my sincere thanks to all of you for electing me to serve you this year as your Potentate. I have looked forward to the experience and joy of serving you, the Nobles of Aleppo. It is with humility, however, that I assume the responsibilities of the office.

Our program for 1969 is a busy one, but one that will enable us all to promote the good fellowship that makes the Shrine the great organization that it is.

The Potentate's reception and dinner dance held on March 21st under the sponsorship of the Uniformed Units was a great success. Seven hundred of our Nobles and their ladies made the evening a memorable one.

Three hundred and seventy took the spring trip to Costa del Sol in Spain and again proved that our people are great sports as well as great travelers.

On May 2nd we are having one of the popular Shrine Luncheons at the Statler Hotel in Boston and we shall honor our sports stars. We have a fine speaker and some special surprises for you.

On May 9th we honor our Imperial Potentate, Illustrious Chester A. Hogan. The class is named for this dedicated Mason and you will enjoy this Ceremonial if you will be with us.

On June 14 we shall have an All-Masonic Night at Boston Garden. Tickets are available through the Symbolic Lodges and we are promised another great demonstration of Shrinedom and Masonry on parade. We shall especially honor our DeMolay boys on the occasion of their 50th Anniversary.

Two theatre nights are being planned for the summer months as well as two golf outings.

We shall have a Shrine night at Fenway Park on September 16 when the Red Sox meet Cleveland.

Many other activities are planned as well as a real break-through in our Public Relations work. You will soon see a paper going to every Noble in our Temple bringing you up-to-date on our many activities and giving notice and credit to the many activities of our Uniformed Units. They are truly working day and night to maintain the finest image of Shrinedom.

Each of you can help in our entire program by signing a new candidate or more for this May Ceremonial. You can also become a part of one of our Units if you will but let us know what your interest is.

It is a real privilege to be a Shriner and we can certainly be proud when we wear the red Fez. It is also a great privilege to serve the Nobility of Aleppo. I pledge myself, again, to do all in my power to promote and further the great work of Shrinedom — to bring joy and happiness to the Nobility and to work for the benefits of the children who are our guests in the Orthopedic as well as the Burns hospitals.

Cordially yours in the Faith,

Stanley J. Maxwell

SHRINERS HOSPITAL NEEDS YOUR HELP TO LOCATE CRIPPLED CHILDREN

THE SHRINERS HOSPITALS for Crippled Children specialize in the treatment, **WITHOUT CHARGE**, of crippled children whose parents or guardians are financially unable to meet the expense.

There are 19 Orthopedic Hospitals and 3 Burns Institutes operated by the Shriners of North America. The Burns Institutes for severely burned children are located at Galveston, Texas, Cincinnati, Ohio, and Boston, Mass.

They treat and, when necessary, supply braces or prostheses, **WITHOUT CHARGE OF ANY KIND**, to children whose parents or guardians are unable to afford the cost which, in some long-term cases, is extremely expensive and could tax the financial capacity of even an affluent parent, with possible detriment to the rest of the family.

Accordingly, the Shrine asks you, as a leader in your community, to assist in the locating of such physically handicapped and deformed children so that they may be given corrective treatment at a Shriners Orthopedic Hospital to enable them to better face life with a positive outlook. In this worthy cause, it is suggested that you keep a look out for such children and inform the Shrine office. It is believed that in this way you may render a valuable service to humanity. For further dramatic information, there are available several 16MM colored sound films on the work of the Hospitals, available on loan from the Administrators of the Shriners Hospitals or the Shrine Temple.

Children under 15 years of age, afflicted from birth by club feet, dislocation of the hip, curvature of the spine, other diseases of the spine and joints, poliomyelitis and all other diseases and deformities that come within the scope of the orthopedic surgeon's work, are the chief concern of Shriners Hospitals.

Shriners Hospitals are known as "The World's Greatest Philanthropy"; whose members are actuated by a love of mankind and of physically handicapped children in particular; with benevolent attitude that precludes the thought of charity.

For further information or "Patient Application" forms, please phone the Shrine Office — 536-0678. Also, any Shriners would be pleased to supply such Application forms.

POTENTATE'S ACCEPTANCE SPEECH

FOLLOWING his election to the office of Illustrious Potentate of Aleppo Temple, Friday, January 24, 1969. Illustrious Stanley F. Maxwell delivered the following address to the 3,500 Nobles present:

"Imperial Sir, Illustrious Sirs, Distinguished Guests, Officers and Nobles, I humbly accept this privileged honor, fully appreciate the responsibility of managing this organization of some 16,000 men. Aleppo Temple has long been one of the leaders in Shrinedom, and I pledge my utmost effort to maintain, and if possible even improve that high standard.

"Since the founding of this Temple our Potentates have laid a solid foundation. It has withstood the test of time from adversity to success. I shall seek the advice of our leaders past and present, as well as that of our great Recorder Harvey B. Leggee, so that this tradition may continue.

"My pledge to you is this: that I will make a major endeavor to get more active participation from our Nobles. Our Shrine Luncheons will feature prominent and interesting speakers. Our All Masonic Night at the Garden in June will honor our new Grand Master as well as the Fiftieth Anniversary of the Order of DeMolay. We plan to have two theater parties, a baseball game and the circus, where we have the unusual opportunity of entertaining several thousand underprivileged children. We shall participate in the Imperial Council Session in Seattle in July and the Northeast Shrine Association in Montreal in September. In addition, we have golf outings planned, and Family Day at Whalom Park.

"Our public relations program will be expanded and we will shortly announce some major steps in this direction. Our job is to build the image of Aleppo in our community and also in the minds of Masons everywhere.

"One of the major problems that we have is our meeting place. We are aware that we can be dispossessed here in Commonwealth Armory. The matter of finding another meeting place has not been resolved. It is a very complicated problem. I cannot make a firm promise to you that we will have a new building of our own, but I do promise that I will make every effort in working with our Building Committee to find a plan that will be feasible and acceptable with sound financial support. Aleppo Temple can continue to be great only if every member not only participates but has in his mind the thought that we can only grow through our members. It means that every member must be constantly on the lookout for new candidates. It means that every Noble must be an active member, and I certainly seek your support in this area.

"The final thought I would like to leave with you is that every Shriner must be a member of a Symbolic Lodge in Masonry, he must also be a member of a Commandery or a Consistory. He should always remember that our support of the Symbolic Lodge and the Coordinate Bodies should be a most important part of our activities. We should further remember that it is a privilege to wear the Red Fez and such an honor and privilege should at all times be treated with respect.

"I am grateful to all of you for your confidence in me and I shall try to merit that confidence by working for Aleppo. With your cooperation and with the cooperation of all of the committees and all of the units we can accomplish our objectives with fellowship, charity and good will."

IMPERIAL SIR CHESTER A. HOGAN

Imperial Potentate of the Shrine of North America

CHESTER A. HOGAN was born in Tacoma, Washington, in what is known as the Puget Sound heartland of the dynamic Pacific Northwest. Fastest-growing area in the nation today, the Imperial Sir's homeland is the portal to the East, a keystone of Shrinedom, and a giant in aviation, science, culture and commerce.

LOOK TO THE WEST — Imperial Potentate Chester A. Hogan started at the bottom in his chosen field. His leadership and organizational abilities are without question, for today he is the executive director and owner of a chain of supermarkets in the Pacific Northwest, as well as being extremely active in varied enterprises engaged in property development.

CIVIC LEADER — Business leaders and his neighbors admire and respect his integrity, judgment and progressive ideas. He is a director of the Puget Sound National Bank, Tacoma; Past President and a director for thirty-two years of the non-profit Western Washington Fair of Puyallup; a member of the Board of Governors of the Lutheran Welfare Foundation; one of the ten founders of the Good Samaritan Hospital, Puyallup; Past President of the Puyallup Kiwanis Club; Past President and former director of the state-wide Associated Grocers, Inc. of Seattle.

FRATERNAL LEADER — Achievement has followed him in every field, particularly in his Masonic life. Since being raised in Corinthian Lodge No. 38, Puyallup, Washington, he has progressed rapidly. Today he is the Worshipful Master of his Lodge, Corinthian No. 38, F. & A. M. He received his 33rd degree Ancient and Accepted Scottish Rite, in Washington, D.C., and the Honorary DeMolay Legion of Honor in March, 1968. His "Who's Who in Masonry" includes Past Commander of Ivanhoe Commandery No. 4, Tacoma; Past High Priest, Tacoma Chapter No. 4; Past Grand High Priest of Royal Arch Masons of Washington State; a member of Tacoma Council No. 1; member of the Royal Order of Scotland, St. Alban Conclave, the Red Cross of Constantine; and Past Sovereign Master of Allied Masonic Degrees, Pacific Council No. 30, Tacoma; Past Impresario and Past Director, Tacoma Court No. 104, Royal Order of Jesters.

ENERGETIC NOBLE — Imperial Sir Chester A. Hogan originated Afifi Temple's annual Shrine Circus in 1946 and served eleven years as chairman until he was elected Potentate in 1957. As Potentate he headed Afifi's memorable pilgrimage to the Orient in 1957, receiving dispensation to hold four ceremonials, Manila, Philippines, Hong Kong, Taiwan, Formosa, and Tokyo, Japan, bringing into the Shrine 209 new Nobles. He was host Potentate to the Pacific Northwest Shrine Association. He is also a member of the Cabiri.

THE MAN FROM THE WEST HONORED — When he was elected Imperial Outer Guard in Atlantic City in 1959 he became the first Shriner from the Far West to be so honored since 1939. He is an Honorary Life member of 136 Temples and holds numerous Honorary Shrine Club memberships throughout the United States, the Orient, Canada, Mexico and Europe.

FAMILY MAN — His family consists of his wife, Helen, their twin sons, Charles and Carl, and four grandchildren. The sons, who are Nobles of Afifi Temple, are graduates of the University of Washington and are actively associated with him in his varied business enterprises. All Hogans are members of the Lutheran Church.

RECIPIENTS OF ALEPPO DISTINGUISHED SERVICE MEDAL

TWO OF ALEPPO'S most outstanding Nobles were presented the "Robert Gardiner Wilson, Jr. Medal" for "service beyond duty" at the Annual Meeting of the Temple on January 24, 1969.

Illustrious Potentate Howard L. MacOdrum, in presenting the Medals, made the following remarks:

MAJOR GENERAL RAYMOND A. WILKINSON CHIEF OF STAFF OF THE TEMPLE

"A man who, despite having assumed duties of command affecting the safety of the State and Nation at a time of civil unrest, nevertheless gave freely of his time and effort to his duties to Aleppo. His talents for organization was demonstrated in the many parades and ceremonies which have been held this past year. "Aleppo Temple should be and is proud and pleased to have his services."

MAJOR HAROLD G. LARSON COMMANDER OF UNIFORMED UNITS

"A Noble who, through untiring effort and patience, achieved success in bringing harmony and efficiency to the Uniformed Units of Aleppo Temple under his command.

"Assuming command under trying and difficult circumstances, he chose such assistants as to enable him to re-organize the Units, bringing forth a new spirit and vitality, and a unity of action."

This Distinguished Service Medal was established in 1961 for the purpose of recognizing Nobles for their outstanding service to the Temple. The By-law governing the awarding of the Medal states, "The Medal shall be awarded annually to each outgoing Potentate and to such other Nobles of Aleppo Temple, not in excess of two a year, who have rendered distinguished service to the Temple above and beyond the call of duty."

Since its inception, the Medal has been presented to sixteen outstanding Nobles of Aleppo Temple in addition to each outgoing Potentate.

ALEPPO'S KEY MEN

Ill. Henry S. C. Cummings, 33°
Historian

IT does not often occur in any organization that an Officer has the privilege of serving in the important office of Recorder of a Shrine Temple during the terms of thirty-seven different Illustrious Potentates over a period of forty-eight years, 1921-1969!

Ill. Harvey B. Leggee, 33°, started in the office of Recorder of Aleppo Temple in March, 1921, when Ill. Benjamin W. Rowell, 33°, was the Recorder. He became a Shriner in June, 1923, and became the Acting Recorder in 1927, and since 1944 has held this important position as elected Recorder during the period when the Aleppo membership increased from 9,264 (depression low in 1942) to 15,845, which currently places this Temple as the sixth largest Shrine in North America!

When Ill. George B. Rowell, 33°, Potentate of Aleppo Temple established the Ill. Robert Gardiner Wilson, Jr. Distinguished Service Medal in 1962, the first recipient of this most cherished recognition was Recorder Harvey B. Leggee. There have been twenty other Shriners since then who have had the honor of receiving this beautiful medal which is presented to no more than two Nobles each year, only for outstanding devotion and service to the Shrine.

Nor has this been his only recognition, for in 1964 he received the Massachusetts Consistory Distinguished Service Medal; in 1965 he was elected a Sovereign Grand Inspector General 33° Honorary Member of the Supreme Council 33° of the Northern Masonic Jurisdiction; and in February, 1969, received the Achievement Award of the Advancement Program of the Scottish Rite.

In Shrine circles, Ill. Harvey B. Leggee, 33°, is Secretary of the Board of Governors of the Shriners Burns Institutes, Boston Unit. Following twenty-five years as an elected Representative to the Imperial Council from Aleppo Temple, he was made an Emeritus Life Member of the Imperial Council Shrine of North America. During this time he has served on three of the four standing committees of the Imperial Shrine . . . Dispensations and Charters, Finance and Accounting, and Jurisdictional Lines Committees.

For a time he served as Secretary-Treasurer of the Northeastern Shrine Association. As a member of Boston Court No. 103, Royal Order of Jesters, he served as Director for three years and as Impresario (Secretary), for seventeen years. In the National Court, Royal Order of Jesters, he is an Emeritus Life Representative. Since 1947 he has been a member of the Provincial Grand Lodge of New Brunswick, Royal Order of Scotland, and was Monarch of Omar Grotto, M.O.V.P.E.R., in 1956.

Ill. Harvey B. Leggee, 33°, received his Masonic Degrees in Blue Hill Lodge in 1922 and also holds membership in St. John's Lodge, St. Paul's Royal Arch Chapter, Boston Council, Royal and Select Masters, and Boston Commandery #2, Knights Templar, all of Boston. He received his Scottish Rite Degrees in the Valley of Boston in 1923.

Largely through 46 years of magnificent and loyal service, which has given him a most unique experience, as well as his knowledge of the Imperial Council of the Shrine of North America, and his extensive contacts among Nobles in all parts of North America, he has made the task of administering the office of Aleppo Temple and the great philanthropic enterprises of the Shrine easier for the Potentates of Aleppo Temple in the past forty-eight years. We honor this hardworking servant of Aleppo Temple and Shrinedom.

THE NEW SHRINE BURNS INSTITUTE IN BOSTON

SUNDAY, MAY 18, 1969 has been proclaimed NATIONAL SHRINE HOSPITAL DAY throughout North America in commemoration of the 47th anniversary of the opening of the first Shrine Hospital for Crippled Children at Shreveport, Louisiana in 1922.

Boston's Shrine Burns Institute at 51 Blossom Street, directly across from the great Massachusetts General Hospital, will observe the date with an Open House during the entire afternoon. It is hoped that Nobles of Aleppo Temple and their families may take this special opportunity to visit Shrinedom's newest hospital which was dedicated and officially opened as recently as November 2, 1968. Meanwhile, it should be noted that volunteer help at the Shrine Burns Institute in Boston is not only welcome but much needed.

A Hospitality Committee has recently been appointed consisting of Nobles: Carl Trempf, Ray Phillips, John Mick, Robert Andrews and Ray Fridolin. The chief function of this Committee is to schedule, arrange, and direct visitor inspection of the hospital facilities guided by members of the Committee or volunteers available for such service. The Temple Guards of Aleppo Temple have already agreed that its members may be available. To relieve regular hospital personnel however it is desirable that the Committee arrange such definite schedules as will assure some Noble being present at the hospital each afternoon. With a large volunteer group made available this should not place a severe burden on any one individual but the service cannot be on a hit or miss basis; the hospital should be covered each afternoon.

A second Committee of the Board of Governors of the Shrine Burns Institute has also been appointed, presently known as the Committee for Visitation and Entertainment of patients. The Committee includes: Nobles Phillips, Dr. Salerno, James C. Bayley, Ray Fridolin, Stanley Maxwell, and Carl Trempf. It is anticipated this Committee will make use of a Ladies Auxiliary. Such volunteer assistance at the hospital is especially needed in the patient care area to an extent which will free nursing personnel for their more professional duties. Volunteers for this special service can be used on a regular scheduled basis for help in the feeding of handicapped patients as well as for reading or otherwise entertaining the children. Lunch period for the children is between 11:30 a.m. and 12:30, and dinner is between 4:30 and 6 p.m. Women volunteers with some experience in arts and crafts are a real need.

Hospital advices are to the effect that the children enjoy and react most favorably when they see familiar faces rather than a new volunteer visitor on repeated occasions.

Thursdays between 9:30 and 1:00 is reserved for outpatients and volunteers can be of great assistance. Also there is frequent need for volunteer clerical help especially with even limited typing skill.

Nobles of Aleppo Temple or members of their families are urged to consider volunteer service at our hospital, even to a limited degree, as a real aid in the advancement of Shrinedom's great philanthropy.

ALL MASONIC NIGHT

ON SATURDAY, JUNE, 14, 1969, Aleppo Temple will sponsor an All Masonic Night to be held in Boston Garden to honor our new Grand Master of Masons in Massachusetts, Most Worshipful Herbert H. Jaynes, and in recognition of the 50th Anniversary of the Order of DeMolay for boys.

The Chairman, Past Imperial Potentate Robert Gardiner Wilson, Jr., reminds us that this is an excellent opportunity to show the Fraternity and correlated Organizations, the Shrine on the march!

All Commanderies in Massachusetts and Rhode Island have been invited to parade with flags and banners. The Officers of the Scottish Rite, State DeMolay and other groups will participate in the pageantry.

The Illustrious Potentate, Divan, Past Potentates, Officers and Uniformed Units of Aleppo Temple will parade in the Garden, opening the evening's colorful event.

THE ALEPPO TEMPLE MOUNTED PATROL ANNUAL HORSE SHOW

THE Aleppo Temple Mounted Patrol, under the co-chairmanship of Nobles Ray G. MacCracken and Lester L. Burdick, Jr., is holding its fourth annual horse show at Felton Field, Barre, Massachusetts, on Sunday, June 22, 1969. This will be one of the outstanding horse events of this year and will be run under the rules and regulations of the American Horse Show Association.

The competition will include outstanding Appaloosa, Arabian, Morgan, Quarter Horse, Pinto, Pony, Hunter, and Western Classes.

Special drill exhibitions will be performed by the Melha Temple mounted patrol drill team of Springfield, Massachusetts.

All Nobles planning to attend this outstanding event are urged to wear their fez.
